GET IN THE GAME

The NBA's Shawn Marion still has that Rebel spirit.

WHILE SHAWN MARION essentially only played professionally in 2007 before getting drafted through "The Draft" franchise, an NBA draft extension. He's already in the 10th year of his NBA career. Marion joined the Phoenix Suns in 2007 as a free agent. He has only a limited amount of time left in the league, but he still has plenty of time to make a name for himself. He's already got plenty of experience in the league and has been a key player in the Phoenix Suns' success.

Marion is the professional player, who has been playing for Vegas for years. He's always been playing in the NBA. He's always been playing in the NBA. He's always been playing in the NBA. He's always been playing in the NBA.
